

ASIAN ROBOTICS LEAGUE

Invitation Letter

Welcome to join The Fourth Asia-Pacific Robot Championship

-----Full of engagement, challenge, passion

Invitation:

Asia-Pacific Robotic Championship is an international event which aims to promote robotics education to young students in Asia-Pacific region. It nurtures young students' interest in science, engineering and technology by provide interactive competition platform with designable and programmable robots; also, it reinforces students' real-case solving skills and teamwork spirit by providing hands-on experience and idea-sharing community. Full of engagement, challenge and passion. The fourth Asia-Pacific Robot Championship 2010 will take place in Japan in Nov ,2010. We are looking forward to see you and your fascinating robots on the field.

Time: November, 2010

Location: Japan

Events: BDS Robotic Competition
VEX Robotic Championship
BDS Humanoid Robotic Championship

ASIAN ROBOTICS LEAGUE

The Asia-Pacific Robot Championship
